

JANE BROOK ESTATE WINES

2007 ATKINSON FAMILY RESERVE SHIRAZ

Our commitment to remain a family-owned Western Australian winery is reflected in the **Atkinson Family Reserve Shiraz** which is hand selected as the very best of the 2007 vintage.

WINEMAKER'S NOTES :

The **2007 Atkinson Family Reserve Shiraz** displays pungent and bold aromas of stewed plum, vanilla bean, exotic spices and cedar. It is brilliant, dense and dark red in colour.

The palate is rich, generous and brooding, reminiscent of plum pudding. The wine is full-bodied, tight and restrained with a persistent length of dusty tannins.

Harvested at 14.9 baume, then crushed and fermented in traditional open fermenters, the wine was then transferred to French oak hogsheads for malolactic fermentation & maturation.

This Shiraz has cellaring potential of over 10 years.

VINTAGE CONDITIONS :

The vintage of 2007 in the Swan Valley saw abundant rain and cooler weather. This resulted in excellent growth and as such, exceptional crops. The summer was extremely mild, with some hotter days later in the season which ensured full ripening of the fruit to occur.

Excellent development of flavour has been experienced in both red and white wines.

VINTAGE INFORMATION :
