

# PLAIN JANE

## PLAIN JANE 2008 Chardonnay-Chenin Blanc

### *Tasting Notes:*

#### *Bouquet*

Displays fresh tropical fruit on the nose, notably pineapple & passionfruit.

#### *Palate*

Refreshing notes of citrus & green apple give way to a rich & creamy palate that is balanced by crisp acidity providing structure & a great persistence of flavour.

This is an easy drinking wine that should be enjoyed at any occasion, or for no occasion at all!

*Grape Variety:* Chardonnay & Chenin Blanc

*Region:* Swan Valley

### *Vintage Characteristics:*

The vintage of 2008 in the Swan Valley was early. The whites retained natural, refreshing acidity which has resulted in sensational wines, whilst the reds experienced drought conditions culminating in concentrated flavours and colours.

### *Serve:*

Enjoy this wine on its own at the end of the day, over a casual lunch or with grilled seafood brushed with garlic and herbs.
